April 12th 2021: Ep: 178: Vulnerability
Management: Fixing What Matters

The CEO of Kenna Security, Mr. Karim Toubba, appears on Task Force 7 Radio to unpack the state of vulnerability management in the Cyber Security industry. Mr. Toubba breaks down how risk based vulnerability management has transformed how efficient and effective companies are in responding to critical vulnerabilities. He also discusses what "winning" looks like in the VM space, as well as how important it is to operationalize your vulnerability management program to promote standardization and consistency amongst various IT Teams. Toubba wraps up by explaining the importance of data science
