**April 22nd 2021: COVID Related Healthcare Benefit Changes - What Help Is There?**

The past 12 months has had historic changes in taxes for individuals and for businesses. The challenges for businesses have steadily increased and may even become more difficult in the current tax environment. How does a small business cope with all the COVID related changes to health benefits? How can a small business get better business deductions on family healthcare expenses? If a business does not qualify for the Employee Retention Credit, how can a business save big on payroll tax? This program is for the small business owner to learn about the available options such as Health Reimb
