BUSINESS

And Security For All
Friday at 12 Noon Pacific
April 30th 2021: How Lack of Emotional Intelligence Affects Cyber Professionals

Tune in

Friday at 12 Noon Pacific Time
on VoiceAmerica Business
Channel

On this episode of 'And Security For All' host Kim Hakim and guest Deidre Diamond look at how the lack of emotional intelligence (EQ) affects professionals in the cyber industry. This will include discussing what EQ is, measurable agreements, lean language, and externalizing internal communication. They will then discuss how the lack of each of these skills can impact a cyber professional. Deidre is the Founder & CEO of CyberSN & Founder of Secure Diversity!

Featured Guest

Deidre Diamond

Talent and technology veteran, Deidre Diamond, Founder, and CEO of CyberSN and Secure Diversity, has created the largest cybersecurity talent acquisition service and technology firm in the U.S while focusing on the cybersecurity talent shortage, specifically the shortage of women. Deidre's mission is to remove the pain from job searching and matching for everyone. Deidre cares tremendously about people loving where they work and has been working to create cultures that have high EQ (emotional intelligence) skills. These skills focus on words and behaviors. Deidre is known in the D/I community as someone who works hard at making sure words and behaviors are inclusive for all so that inclusive
