The CBD Ed Show with Ed Chaney
Friday at 11 AM Pacific
June 25th 2021: Encore Improving Mental Health with CBD

CBD has already been shown to be a neuroprotector (contributes to preservation of neuronal structure and/or function), so how else can it help? There is both new interest and new research on using CBD to improve our mental health. In today's show we'll deliver what's new and summarize it into a useful form so you can become aware of the growing benefits of hemp derived CBD and your mental health.
