Automotive Insiders is presented by OESA, the Original Equipment Suppliers Association. Industry experts keep the Automotive Supplier Community up to date on the fast-changing mobility landscape. From post-pandemic manufacturing, restart planning and worker safety measures, to legal issues and supply chain disruptions, Automotive Insiders is your source of timely, relevant content. Host Bonnie D. Graham welcomes attorney Kurt Kissling, a partner in Warner Norcross + Judd's Detroit office, who counsels clients across the country on environmental issues, focusing on the Clean Air Act and its

Featured Guest

Kurt Kissling

Kurt Kissling is a partner in Warner Norcross & Judd's Detroit office who counsels clients across the country on environmental issues, focusing on the Clean Air Act and its local equivalents. For more than 20 years, Kurt has assisted clients with various air permitting, compliance and enforcement issues. From litigating federal rules in the D.C. Circuit and negotiating nationwide consent decrees with the U.S. Department of Justice to discussing permit conditions or exemption requirements with a local inspector, Kurt's practice spans the spectrum of potential air issues, big-to-small. His work experience extends from California, Oregon and Washington to most states along the Atlantic coast. C
