

Technology Revolution: The Future of Now
Wednesday at 8 AM Pacific/11 AM Eastern
July 14th 2021: The Future of The Cloud: What Has It Done for YOU Lately?

The Buzz 1: "Hey, you, Get Off Of My Cloud" (The Rolling Stones). "Clouds in My Coffee" (You're So Vain lyrics, Carly Simon). "I've looked at clouds from both sides now, From up and down, and still somehow, It's cloud illusions I recall, I really don't know clouds at all" (Both Sides Now, Joni Mitchell). The Buzz 2: "One of the interesting things about the cloud is how it has quietly pervaded most people's lives. Australians have used the cloud for years now and still aren't aware of it ... At this point, the cloud has moved beyond the cool phase and is something everyone is using ... Yet resea
