For many Black men, barbershops are a safe place to engage with their community and have meaningful conversations about issues that affect their lives. In this episode, we talk to Dr. Joseph Ravenell and David Brown about their work to improve health outcomes for Black men by connecting with them at barbershops.

#### Featured Guests

##### Dr. Joseph Ravenell

Dr. Joseph Ravenell is a general internist, clinical educator, and clinician investigator with a health equity research focus. He is currently the director of the Cancer Prevention Navigation Program of the Perlmutter Cancer Center at NYU Langone Health. He also serves as professor of population health and medicine and associate dean for diversity affairs and inclusion at NYU's Grossman School of Medicine. Dr. Ravenell is also co-director of the Beatrice W. Walters Breast Health Outreach & Navigation program, which helps women in underserved communities access breast cancer diagnosis, treatment, and support services. In 2010, he launched the Men's Health Initiative, a community-based research

##### David Brown

A professional musician, David spent 15 years performing, teaching, and preaching in Japan. Ultimately, he returned to his roots in the United States where he looked for new ways to give back. After serving as youth minister in Queens, New York, he joined the Division of Decision Science at New York University's Grossman School of Medicine.
