

Automotive Insiders Presented By OESA
Listen On Demand

July 21st 2021: Peter Pearce: Repositioning The Automotive Supply Business

Automotive Insiders is presented by OESA, the Original Equipment Suppliers Association. Industry experts keep the Automotive Supplier Community up to date on the fast-changing mobility landscape. From post-pandemic manufacturing, restart planning and worker safety measures, to legal issues and supply chain disruptions, Automotive Insiders is your source of timely, relevant content. Host Bonnie D. Graham welcomes Peter Pearce, a principal at Baker Tilly and lead of the firm's Enterprise Solutions and Mobility and Transportation practices. Peter Pearce discusses repositioning of the autom

Peter Pearce

Peter Pearce is a principal at Baker Tilly with more than 25 years of experience in the mobility and transportation industry. During Peter's tenure at the firm, he established Baker Tilly's first cloud manufacturing consulting practice. He leads the firm's Enterprise Solutions and Mobility and Transportation practices. Prior to joining Baker Tilly in 2006, he spent nearly ten years in a "Big Four" professional services firm consulting on global enterprise resource planning deployments and related technology projects within the automotive sector. Peter has extensive experience in designing, configuring and deploying the enabling technologies driving manufacturing enterprises. His experience w
