

Turning Hard Times into Good Times

with Jay Taylor

Turning Hard Times into Good Times
Tuesday at 12 Noon Pacific
July 27th 2021: Surviving the Destruction of America

Dr. Roger Moss and Daby Carreras are first time guests. Peter Boockvar returns. As CIO of a \$3.5 billion fund, Peter closely watches macro economic conditions. Are the June 5.2% CPI & 7.3% PPI readings hinting at the start of a significant 1970s stagflation ahead of us? With the Fed painting itself into a corner so that it's impossible to raise interest rates without triggering a financial market collapse, how will that impact our investment decisions? Peter will address those issues. Meantime, Daby who is running for controller of NYC is focused on issues that impact the economics of American

Roger Moss

Roger Moss, President, Director and CEO of Labrador Gold Corp., is an exploration geologist with thirty years experience in Africa, Central and South America, Eastern Europe and Canada in a variety of geological environments. He was instrumental in finding the multi-million ounce Navachab gold deposit in Namibia. In addition to gold exploration in Namibia and Canada, Roger has worked Cu-Pb-Zn exploration in Canada and Mexico, and Cu and Au exploration in Canada, Peru, Colombia and Chile. His extensive research into hydrothermal ore deposits culminated in a Ph.D. in geology from the University of Toronto in 2000. He continues to share his interest and experience in ore deposits and mineral ex
