September 21st 2021: Flex: The Art and Science of Leadership in a Changing World

In the past, to move up the corporate ladder and succeed at the top, you simply had to set goals, motivate the troops, delegate to underlings, and groom a successor. Now, if they are leading a team chances are that they are managing a kaleidoscope of people from a variety of cultures, across a range of ages, all of whom are wired together 24/7. These changing demographics and structures have led to a seismic shift in terms of the tools needed to successfully manage and grow within a company: charisma and strategic thinking abilities now matter less than qualities such as vulnerability and rela
