August 11th 2021: The Trumanitarian on Bringing Agency and Non-Hierarchy to Orgs

Lars Peter Niessen has managed to find a special niche most of us like to avoid – he's got a knack for working productively in "messes" and has done so all over the world. Critical to necessary change is often very uncomfortable truth, another unusual area he is adept at navigating. In this episode, we learn from this soft-spoken wizard how he blends truth and humanitarian efforts to enable agencies to make the world a better place for us all.
