In this episode, I speak with Matthew Stillman a writer, creator, connector, deep listener, re-imaginer, documentary film maker, the list goes on. We talk about our mutual love of improv, the ways it weaves into our daily lives, along with the yet to be cult book Matthew wrote comparing improv and the 10 Commandments (yes those 10 Commandments)! Matthew shares his experience as a scholar at Stephen Jenkinson's Orphan Wisdom School and his 10+ years experiment in New York City's Union Square, offering creative approaches to what others have been thinking about!
