I am a passionate learner, researcher, and writer. Over the last 20 years I've collaborated with several amazing leaders, cross-functional teams, and committees to create innovative ideas that are a little edgy and often disruptive in the education space. I've collaborated with stakeholders globally to find solutions that were effective, efficient, and repeatable across the organization. Working both in the higher education and corporate training has given me a diverse background in two types of training environments as well as curriculum design methodologies. When I'm not working, I'm reading a book on process design, leadership, or customer experience. When I'm not reading, I'm hiking, b
