Featured Guest

Steven Bay

Steven Bay is the Cybersecurity Operations Consulting Lead at Kudelski Security. With 20 years in cybersecurity, his career has spanned government, enterprise and consulting services. For much of his career, he served as an analyst supporting the NSA via the US Air Force and federal contracting. During this time, he served as Edward Snowden's boss just prior to Snowden's flight from the United States. Following his time supporting the agency, he designed and implemented information security programs for Fortune-500 companies, served as a CISO, and provided extensive cybersecurity consulting services. He holds an MBA from Thunderbird School of Global Management and an MA in International Rela
