Disability Matters
Tuesday at 11 AM Pacific
October 12th 2021: Mission of the Careers 2B Program

Joyce welcomes Gary Dick, Chief Information Officer (CIO) for Highmark Health Solutions to the show. He will be discussing his organization's long-standing commitment to hire people with disabilities through the Program he created, Careers 2B™. The Careers2B™ Program serves as a national workforce development model to address the lack of professional work experience barrier to competitive employment for people with disabilities and improve employment outcomes for talented professionals with disabilities. Careers2B™ provides paid work experience at sponsor companies to candidates with disabili

Gary Dick

As the Chief Information Officer, Gary's focused on delivering innovative technology solutions that fulfill Highmark Health's mission of creating a remarkable health experience, freeing people to be their best. His experience includes global infrastructure and applications, large-scale data center operations, mergers, acquisitions, and business redesign. Gary is passionate about improving quality, growing leaders, and improving competitive employment opportunities for persons with disabilities. Gary arrived at HM Health Solutions in 2013 to assume the role of senior vice president, IT Infrastructure and Operations. Before that, he was at Bayer Material Science. During his career he has enj
