**October 20th 2021: How Future Healthcare will  
Change our Lives - #HLTH2021**

Do you worry about the healthcare for you and your family over the next decade? Will you be able to afford it? Will you be able to access it when you need it? The United States has the most expensive healthcare per capita AND ranks dead last in health outcomes compared with 10 other high-income countries. This according to the August 2021 annual survey from the Commonwealth Club. The fourth annual #HLTH2021 conference just ended, and we'll report to you on what major health companies as well as start-ups are planning for the next decade so that US healthcare quality and affordability
