November 1st 2021: Tolerance of High IQ/Low EQ Staff is Crippling Technical Industry

Christian Espinosa is the bestselling author of "The Smartest Person in the Room", an entrepreneur, the founder of Alpine Security, a white hat hacker, certified high-performance coach, professor, and lover of heavy metal music and spicy food. He's also an Air Force veteran and Ironman triathlete. He used to value being the "smartest person in the room," only to realize that his greatest contribution to humanity, leadership and the fight against cybercrime is his ability to bring awareness and solutions to challenges associated with high IQ/low EQ people. Christian is a speaker, coach, and tra
