**January 21st 2022: COVID: Data Fraud & Willful Misconduct**

The covid virus has changed many of our lives . According to Dr. Ealy, this is not a country; it is a crime scene - a crime scene build upon the greatest fraud in human history. Doctors have known from the beginning that vitamin D and vitamin C have saved lives. Yet doctors who commit the crime of successfully treating their patients have been prosecuted with attempts to take their licenses away. The following questions are addressed. Can you be vaccinated and still counted as unvaccinated? How many confirmed break through cases are there in the US? How did the CDC manipulate PCR
