Presented by SAP
Tuesday at 7 AM Pacific /10 AM Eastern
January 18th 2022: Creating The Sustainable Enterprise In 2022 and Beyond

The Buzz 1: “We have a single mission: to protect and hand on the planet to the next generation.” (Francois Hollande) The Buzz 2: “It’s a collective endeavor, it’s collective accountability and it may not be too late.” (Christine Lagarde) The Buzz 3: “It angers me when sustainability gets used as a buzz word. For 90 percent of the world, sustainability is a matter of survival.” (Cameron Sinclair) The Buzz 4: “The greatest threat to our planet is the belief that someone else will save it.” (Robert Swan) Sustainability – “the new frontier of digital transformation” – is dominating bu

Featured Guests

Frank Omare

Frank Omare is the Global Business Technology Platform (BTP) Program lead for the Intelligent Spend and Digital Supply Chain lines of business at SAP. He brings over 20 years of combined senior line management and 'Big 4' consulting experience in procurement and supply chain. Frank is a Fellow of the Chartered Institute of Procurement & Supply (FCIPS) and brings operational, consulting and program management skills. He has a proven track record of developing transformational change programs and engaging the 'hearts and minds' of people at all levels in the organisation. Frank has written blogs and presented at seminars/conferences on behalf of SAP. He is passionate about sustainability and i

Jennifer Beason

Jennifer “Jen” Beason joined SAP in 2007. She is a collaborative leader who wants to make her company and the world a better place to work and live – and she has a GREAT time doing it. After a decade supporting SAP’s customers in North America, she took her skills as a natural dot-connector and transitioned into corporate affairs to integrate company-wide efforts to help the world run better and improve people’s lives. Her warm, innovative approach to business (often fueled by the young social entrepreneurs she surrounds herself with) continues to push the boundaries of leadership development and sustainable procurement. Today, Jen is the Global Director of Social Entrepreneurship at SAP, I

Japen Hollist

Japen Hollist is the Sustainability Leader for North America at SAP. He previously served as a Director of Value Advisory in SAP Intelligent Spend Management, supporting a winning team of account executives in the North America-West region. Prior to SAP, Japen served as Vice President for Strategic Sourcing and Procurement at Aflac, a Fortune 500 insurance company. He collaborated with his peers on the CSR Committee for the company to be ranked on the Dow Jones Sustainability Index – North America and to achieve ISO 14001 (Environmental Management) certification. He also served on the advisory board to the Sustainable Purchasing Leadership Council. Japen is a graduate of the Harvard Univers
