Out of the Comfort Zone
Friday at 11 AM Pacific
March 4th 2022: Collective Trauma with Darren Overfield

The pandemic has caused a lot of pain for a lot of people. Unlike traditional traumatic experiences that appear as horrendous headline news stories and involve a select set of people, this time the trauma has been shared and therefore more easily ignored. What do you need to know as a leader about trauma and how do you help your team heal? Tune in to find out. It is easier than you might expect.

Featured Guest

Darren Overfield

Darren Overfield is an organizational consultant, executive coach and educator. He has authored articles on leadership and team development in a range of publications including Harvard Business Review online, Chief Learning Officer, Consulting Psychology Journal, and Talent Quarterly. Blending hands-on management experience with a practical way of applying psychology to the workplace, Darren helps executives become more effective leaders and teams improve their performance. Trained as a behavioral scientist and as an MBA, Darren was on adjunct faculty at Center for Creative Leadership for 15 years, where he designed and delivered leadership development programs for senior executives from a
