Innovating Leadership, Co-Creating Our Future

Tuesday at 11 AM Pacific

May 3rd 2022: Adapting Your Leadership Skills for Uncertainty

Leaders now face a level of uncertainty most of us have not seen – or could foresee – earlier in our careers. The world is in flux. How should leadership adapt in response to the changes happening in the world? We need to combine the wisdom of the past with new perspectives and tactics. With his past in Fortune 100 corporate America and his present in the innovative start-up world, Greg Moran's experience and vision provide a guide. Greg and Maureen discuss the changes and foundational skills that are more important for you than ever before.

Featured Guest

Greg Moran

Greg Moran is a C-level digital, strategy and change leadership executive with extensive global operations experience. He led corporate strategy for Ford and designed the plan that Alan Mullaly used to turn around the company. Greg held Clevel IT positions in app dev, infrastructure, and core banking applications at Ford, Nationwide Insurance, and Bank One.JPMC, respectively. He began his career in consulting with Arthur Andersen Accenture, working across industries with 100 companies over the course of a decade. He is passionate about leadership and culture, and displays that passion as COO at software company Aware and shares it by teaching part time at Ohio University.
