Is your organization Built to Evolve?
Stay connected with Deloitte + SAP®

**The Kinetic Enterprise(tm): Built to Evolve,
Presented by Deloitte**
Friday at 6 AM Pacific /9 AM Eastern
**June 3rd 2022: Encore: Tech & Telecom Future
of the Enterprise: TMT Predictions!**

Forces across Technology, Media, and Telecommunications (TMT) continue to shape the global business landscape and the human experience. What's next? And how can your organization prepare for the future? Join Deloitte for a deep dive into the top TMT trends as we discuss strategies that can help you evolve at the speed of change. From chip shortages, 5G, and Wi-Fi 6 to AI regulation, wellness, wearables, and the technology gender gap, this conversation will explore some of the biggest topics emerging in the TMT space today. Find out what these trends could mean when it comes to your business.

Featured Guests

Susanne Hupfer

Susanne Hupfer is a research manager in Deloitte's Center for Technology, Media & Telecommunications (TMT), specializing in the technology sector. She conducts research to understand the impact of technology trends on enterprises and to deliver actionable insights to business and IT leaders. Prior to joining Deloitte, Susanne worked for over 20 years in the technology industry, in roles that included software research and development, strategy consulting, and thought leadership. She earned a Ph.D. in computer science from Yale University and is based in Boston.
