June 27th 2022: After the Pandemic: Can We Redesign a Hybrid Office for Everyone?

Tune in
Monday at 12 Noon Pacific
Time on VoiceAmerica Variety Channel

For many decades, the words “work” and “office” were virtually synonymous. But after two years of COVID-induced remote and hybrid work, one thing seems abundantly clear: The future of work is likely to be very different from the past. Many organizations are struggling to get employees back to the office, after millions of workers left their jobs—some laid off, but many others looking for higher paying, more fulfilling jobs, as well a more flexible, balanced lifestyle. In today’s episode, Professor Lynda Gratton, a renowned thought-leader and consultant on the future of work, talks about “what

Lynda Gratton
Lynda Gratton is considered one of the foremost global thoughtleaders on the future of work, named among the top 15 business thinkers by Business Thinkers 50 and described as a rock star teacher. Lynda is Professor of Management Practice at London Business School, where she received the teacher of the year award and designed and directs the future of work elective, one of the schools most popular electives. Her research on hybrid work was featured as the cover article for the Harvard Business Review in May 2021 and she explores issues of work in her MIT Sloan column. Over a decade ago, Lynda founded HSMAdvisory, which has supported more than 90 companies around the world to futureproof their
