**June 20th 2007: Fun as the Access Way to Enlightenment**

Sounds like a novel idea doesn't it? Most of us have been taught that attaining self-realization has to be difficult, painful and take a long time. But what if it doesn't? After all, the middle word in enlightenment is "light" and to approach it one needs a lightness of spirit. It doesn't need to be serious or hard work. In this lively episode of "Being Here," Ariel and Shya Kane discuss Instantaneous Transaction. Come along and don't forget to bring your willingness to have fun.
