November 9th 2007: Common Wealth: Leading the Future – Special Encore Presentation!

Cheryl Esposito welcomes Peter Barnes, co-founder of Working Assets, successful journalist, thought leader, and author of Capitalism 3.0: A Guide To Reclaiming The Commons. Capitalism needs an upgrade. Our current economic “operating system” fits the 18th century more than the 21st century. “When capitalism started, nature was abundant and capital was scarce; it thus made sense to reward capital above all else. Today we’re awash in capital and literally running out of nature.” Peter points the way to a future in which we can retain capitalism’s virtues while mitigating its vices. All of us -en
