This Week in I.T. **Archives Available**

This Week in I.T. is a show that deep dives into today's current industry news. Our roundtable discussion format will offer Special Invited Guests and open the floor up for guestions and comments from our on-air callers. This format makes for a very interactive experience for you, the radio listener. Some of the topics we'll discuss will be about emerging technologies, data security concerns, government contracting, business start-up information, product demos and so much more.
