December 31st 2008: Starting the New Year Right

How many years have you made New Year's resolutions? And how many of these promises have you actually kept? In this special New Year's episode Ariel and Shya will give you the tools you need to have this year be truly magnificent -- where you don't have to make any resolutions to be a better person or do anything differently -- where you live the life you have only dreamed of but couldn't hope for, for fear of being disappointed. Start Your New Year Right by joining the Kanes in Being Here!
