May 21st 2010: Quodoushka- Shamanic Sexuality

Join us and learn about an entirely different approach to your sexuality. My guest Amara Charles will share information about the Quodoushka tradition that weaves earth based spirituality with sexual practices. We'll be sharing tips and offering advice as usual. Of course D.Love will help us clarify and keep it simple (since some of the spiritual/sexual stuff can get a little out there). May is all about trying new things, so why not join us for a little something different, after all, I'm sure you could use some different seasoning every now and then.
