**May 17th 2011: Sargent L. Goodchild Jr.**

Sargent L. Goodchild Jr., Executive Director of Active Healing, Inc. began life as a brain injured child. At four years of age, Sargent was diagnosed with a seizure disorder. None of the professionals who met with Sargent were capable of seeing his potential. Instead they saw a severely epileptic child with a dismal future. Today he is fully recovered and helps hundreds of families with children on all levels of the autism spectrum. Listen in as he explains techniques that can help your child today and signs to look for that your child may need extra help with their sensory-motor systems.
