## Turning Hard Times into Good Times

with Jay Taylor

**Turning Hard Times into Good Times**  
**Tuesday at 12 Noon Pacific**  
**November 15th 2011: Investing Ideas in a**  
**Deleveraging World**

Adrian Day joins us for a second time. His book titled "Investing in Resources" lays out some very promising ways to profit from commodities at a time when a major portion of the world's population is achieving middle class status. With it comes expectations for modern conveniences and a lifestyle that demands much higher per capita consumption of energy and the world's materials in general. Against that major trend, however, is the current massive deleveraging of debt mostly from the developed world. How will this shake out and in the process and how can we make money investing in resources?
