December 9th 2011: Alliance for Water Efficiency

The Alliance for Water Efficiency (AWE) is dedicated to the efficient and sustainable use of water. The Alliance has embarked on seven key tasks to support and enhance water conservation efforts: • Stand as a clear and authoritative national voice for water efficiency. • Provide comprehensive information about water-efficient products, practices, and programs--what works and what doesn't. • Represent the interest of water efficiency in the development of codes and standards. • Transform the market for fixtures and appliances. • Coordinate with green building initiatives to institutionaliz
