December 29th 2011: Aleya Dao: Sound Healing and Prayers for 2012

Aleya had an enlightenment experience which gave her the ability to perceive other realms, and feel others' feelings. Using this ability she is able to hear the sounds of the angelic realm, as well as locate solutions for the challenges that arise in life. Her music takes people into states of higher consciousness, gives them a sense of deep connection, and awakens within them a place where they once again feel at home.
