April 13th 2012: What Happens When We Die and What Does That Mean for Me Here, Now?

Creator of the "NDE" acronym, Dr. Moody, joins us.

If you want your questions answered in a scholarly way about what happens when we die, this is for you! World-renowned scholar and researcher, Dr. Raymond Moody, a western M.D., is the leading authority on the 'near-death experience'—a phrase he coined in the late 1970's, with his research into the NDE starting in the 1960's. The New York Times calls him "the father of the near-death experience." He was on Oprah three times, received the World Humanitarian Award in Denmark in 1988 and is a best-selling author of 12 books including Life After Life & Reunions. Most recently Dr. Moody coined the
