with Jay Taylor

Turning Hard Times into Good Times
Tuesday at 12 Noon Pacific
**April 24th 2012: Juggling Dynamite Set off by
Government Market Manipulation**

Danielle Park and Julian Phillips are first time guests. Danielle has a great grasp of overall risk/reward relationships. She understands that the tortoise not the hare wins the investment race. She has a strong grasp of how government policies can harm unsuspecting investors and what you can do protect yourself against the slow but steady confiscation of wealth through currency and interest rate manipulation or from sudden and violent market implosions that result. Against currency debasement markets opt for gold. But as Alan Greenspan warned, gold's rising price threatens the welfare state.
