**June 9th 2012: Special Encore Presentation:
Your Face Should Freeze Like That!
Neurotoxins**

Botox has become the symbol of aesthetics. Whether appearing in movies or in your latest chat with your best friend, Botox is everywhere. Botox used to be the only kid on the block. Now there are lots of new choices! This week we will discuss Botox, Dysport, Xeomin and other products that help keep your face looking smooth. Joining us this week to discuss one of the latest options that will be coming to a doctor's office near you is Dr. Alastair Curruthers, the pioneer that brought us cosmetic use of Botox. He will talk about a type of Botox that you can rub on as a cream – no needles! We will
