**September 8th 2012: Special Encore  
Presentation: Being the Better Man:  
Enhancement Procedures for Men**

The majority of people seeking enhancing procedures are women. But there is an increasing number of men looking to make improvements over the last few years. From facelifts and liposuction to penile enhancement and even surgery to increase height, more and more men are looking into their options. Whether you want to reduce the signs of aging or add inches to one place or another we will discuss your options in detail! We will begin the show with Dr. Don Collins, board certified plastic surgeon, discussing cosmetic procedures for men. Then Dr. James Elist, board certified urologist, will talk a
