much time do we really spend thinking about their health? The eyes rule the face it is the first thing we notice when looking at another person or when looking at ourselves. Call-in today and get a tune-up.- even just a bit of an adjustment. I will be doing long-distance healing to improve their health. Whether they are just a little sore, dry, teary, or it could be something more noticeable. Let's have a look and find out what is really going on wit
