Autism One: A Conversation of Hope Archives Available

**November 20th 2012: Special Encore
Presentation: Natural Protection for Colds and
Flu, with Dr. John and Betsy Hicks**

Join popular guest host Betsy Hicks as she interviews her husband, John Hicks, MD, about the latest treatments in cold and flu protection. Learn the route a virus takes and how to stop it in its tracks. Pediatrician Dr. Hicks will answer the conundrum of whether ear infections are truly helped by antibiotics. Dr. Hicks and Betsy will also talk about immunity and why some people get sicker than others. Always engaging and informative, they will help you understand how to bolster the immune system for your child and the whole family.
