Turning Hard Times into Good Times
Tuesday at 12 Noon Pacific
December 4th 2012: Middle Class Survival in the Midst of Growing Fascism

James Cook and Richard Durfee join us for the first time. Long an advocate of gold and silver investing, Cook will address the issue of America's financial bankruptcy and how it is destroying the middle class. Are there ways middle and upper class people can protect their wealth against the theft by the American Government? If so, attorney Richard Durfee, an estate planner, will explain. Of course, short of robbery by way of taxation and inflation, your host knows that you can protect yourself against the con artistry of our politicians and media by converting fraudulent paper money into real
