House Calls
Thursday at 4 PM Pacific
January 17th 2013: Changing Your Life to Fight Cancer

Dr. Connie welcomes Dr. William Li, renowned founder, president and medical director of the Angiogenesis Foundation that leads worldwide efforts to advance new ways of conquering cancer, blindness, heart disease, diabetes, and more than 70 other conditions. Dr. Li's work has impacted more than 23 million people across 94 countries. In 2010, rock star Bono recognized Dr. Li in The New York Times as "one of the top 10 to watch for in the coming decade with the potential to change the world." You will not want to miss this important show that could change your life.
