Autism One: A Conversation of Hope Archives Available

March 26th 2013: A Beacon of Light and Hope for Adult Community Models, with Dr. Mary Joann Lang and Dr. Dan E. Burns

Dr. Mary Joann Lang is joined by Dr. Dan E. Burns, father of a 25-year-old son on the autism spectrum, author of *Saving Ben: A Father's Story of Autism*, contributing editor to *Age of Autism*, and adult issues liaison for AutismOne. Dr. Burns facilitates planning, vocational programming, and funding for An Independent Me (AIM Ranch), a charity in the Austin, Texas, area for teens and young adults on the autism spectrum. He is focused on empowering parents to organize communities where their adult ASD children and friends can live, work, play, and evolve. His goal is to create a model community t

Dan E. Burns

Saving Ben is the story of a father's determination to use educational and biomedical interventions and love to bring his son back from the symptoms of autism and guide him forward on the road of recovery. Dan Burns will share with Teri the struggles faced by Ben, Dan and Sue in navigating misinformation, misery, and the parental determination that moves a child forward. Please visit www.savingbenbook.com.
