**July 10th 2013: A Discussion On the film,
“Django Unchained”- African American Scholars
Give Their Perspective**

The film “Django Unchained” arouses many diverse reactions from the public. The film is credited with using the N-word numerous times throughout the film. This film has many psychological implications within its story and cinematic imagery. In addition to the controversial subject matter of this film it also has unforgettable visual images concerning slavery. There are many disturbing scenes in the film that are centered on that theme. We will be joined by experts, Dr. Carey Latimore and Dr. Charles Moses for a discussion on this controversial film. You don't want to miss this show!
