Growing up in a country that is caught in the throes of war takes a heavy toll on a person's mind, especially the mind of a child. Children are the lost and forgotten casualties of war, and the world may not understand or properly acknowledge this group of victims. It is hard to fathom that there can come a time when the basic necessities of life (food, shelter, safety) that we take for granted are not always readily available to everyone. In "Witness, A Civil War Experience From A Child's Perspective" author, QuanuQuanei A. Karmue, shares his unique experience, perspective and hope for t
