September 16th 2013: Laser Medicine – the New Arthritis Treatment

Dr. Fred Kahn, MD, FRCS(C), is a Diplomate of the American Board of Surgery. He talks about his career in medicine, medical practice and his use of laser medicine, www.bioflexlaser.com. He explains arthritis and its various types. He highlights the most challenging of the effects experienced by people living with the various types of arthritis. He explains how arthritis is commonly treated, how effective the treatments are, and the most serious of the treatments' side-effects. He explains how laser medicine works, how it is used to treat the various types of arthritis, and how well it avoids th
