**Presentation: A New Look into the Film Industry**

Jeffrey Travis is an award-winning film director, writer, producer, and speaker. His debut short film, *What's Wrong with This Picture?*, went on to play at over 40 film festivals, and caught the attention of 20th Century FOX, who hired him to write and direct a television pilot presentation. In this episode, he will give us a glimpse into the new business models for movies and the factors that are transforming the film industry.

### Jeffrey Travis

Jeffrey Travis is an award-winning film director, writer, producer, and speaker. He received a Master's degree in electrical engineering at the University of Texas at Austin. After starting a software company and authoring several books on graphical programming, Jeffrey moved into filmmaking in 2002. His debut short film, *What's Wrong with This Picture?*, went on to play at over 40 film festivals, and caught the attention of 20th Century FOX, who hired him to write and direct a television pilot presentation. His film *Flatland The Movie* (2007), an animated sci-fi film starring the voices of Martin Sheen, Kristen Bell, Tony Hale, and Michael York, has been seen by over 1 million children in
