In this program Jacqueline and Xavier will be talking with Grant Soosalu about the Sex Brain. Grant and his colleague Marvin Oka have developed the concept of mbraining, based on our multiple brains. The head, heart and gut brains are well known in science, and reflect ancient tantric and Taoist knowledge. Based on this ancient wisdom, Grant and Jacqueline suspect there is also a Sex Brain, based around the genitals. Each of the other brains has it's primary function, so what could be the prime function of the sex brain, and how do you get them all aligned so that you living fully congruently?
