Speaking of Health with Dr. Michael Kudlas Archives Available

**February 7th 2014: Speaking of Health with Sol
Luckman**

Health and health care are moving forward at a phenomenal pace. We are moving away from the chemical stage to the energetic phase. We have expanded from the simplistic, mechanistic "pill for every ill" and "drug for every bug" medical model to a sophisticated energetic model stressing the complex mind/body interaction of Engle's Bio psychosocial model that recognizes an integrated connection between the multidimensional aspects of the individual. We have shifted from chemistry to energy. Bruce Lipton has demonstrated that we are not controlled by our genetics, but that we control our genetics!
