May 13th 2014: Liar! Deception Detection for Business

We are often conflicted in our daily activities with deciphering truth versus deception. While many advocate that there are certain clues to indicate if a person is being deceptive, others dispute those assertions. Today, we will seek the truth. Join guest host Mike Roche and his guest, Ryan Mann who has spent considerable time researching, teaching, and employing the techniques used to monitor and detect the common behaviors displayed by deceptive individuals who pose a risk to our safety and business relationships.
