May 13th 2014: The Gift of Suffering

Imagine being a young doctor in the midst of residency in internal medicine and an engagement to the love of your life, when... suddenly your rosy future falls apart. This is what happened to today's guest, Dr. Nikhil Joshi. First, his love called off their engagement, next he was diagnosed with cancer. Heartbroken, sick and distraught he crawled out of the darkness and now offers compassion, hope and humor in his new book, *The End of Suffering*.
