**November 17th 2014: The Maverick of
Renewable Energy, Michael J Osborne**

Join your host, Winifred Adams, Monday
November 27th for a spectacular ground-
breaking discussion with Michael J Osborne,
considered "the maverick" of renewable energy!

Author, Policy maker, and potentially a game
changer for our world as we know it, Michael will
explain his life's work with Renewable Energy
and how his dedication and expertise has led to
a first of it's kind renewable energy change,
beginning in his home town of Austin, Texas.

Firm, but humble and dynamic, Michael's version
of a renewable TED talk put the world on notice.
There may yet be another way an
